

# USCG Pilot presenting 'Water Ditching Survival' PLUS Pilot-CONTROLLER FORUM

DON'T MISS THIS ONE! The water survival presentation will be done by active duty USCG Helo Pilot (and GACH President), LCDR Harry Greene. He'll discuss best strategies for helping the USCG to help you. Given that in an open-water ditching situation, if anyone saves your life, it will be the USCG. You DON'T want to miss this one! The second half of the program will be a Pilot-Controller Forum with active supervisors and controllers from HCF discussing current initiatives and issues.
